Mission

Our mission at Casa View Christian Preschool is to provide a God-centered, nurturing educational environment for children, ages 3-5, to become actively engaged learners through play, relationships and developmentally appropriate curriculum.

Three to Five Year Old Children

Let us help your child get ready for
Kindergarten as they encounter God's
love and goodness while learning
Spanish!

Full-time, Year round, Affordable

Let's partner together to ensure your child
is both academically and spiritually ready
for school and life by ensuring learning
time is maximized every day! We provide
quality bilingual instruction at an
affordable price and are willing and able
to help you find the resources needed to
get your child a solid start in life.

Goals

- **Cultivate a space for children to encounter and learn about God's love and goodness.**
- **Ensure children are academically ready for Kindergarten.**
- **Offer bilingual instruction to all children.**
- **Provide a safe and fun environment for children to learn and play.**
- **Foster and nurture service-driven relationships with families and the community to ensure their purposeful involvement.**
- **Offer excellent care for every child.**

Core Value: Whole Child Development

CVCP recognizes and addresses the social-emotional, physical, cognitive and language areas of development in children every day.

- The social-emotional area is developed with intentional instruction on character development, life-skills, daily mindfulness and class meetings.**
- The physical area is developed through purposeful play and daily exercise.**
- The cognitive/intellectual area addressed using a research-based developmentally appropriate curriculum that is performance based and focused on Kindergarten readiness.**
- Language is developed in a communication rich environment where children are consistently engaging in conversation, song, and play. In an ever changing world, exposing children to second language learning or native language reinforcement is key. We offer Spanish and English instruction to all students.**

Core Value: Spiritual Development

CVCP believes that children not only need to be academically ready, but they also need to be strong in their faith. As a Christian community, we want to foster children's spiritual development via a developmentally appropriate curriculum that includes daily bible lessons and weekly chapel.

Core Value: Family and Community Partnerships

CVCP desires to enter into purposeful partnerships with families and the community. Through consistent communication via caring and committed teachers and staff who share a service driven mindset, we want to provide the resources and support required to ensure children and families are ready for the next stage of their life.

Curriculum

THREES

All Aboard the Animal Train is My Father's World year-long hands-on learning adventure with fun, Bible-based lessons. Your child will learn about 12 animals through stories, finger plays, creative play, and colorful animal cookie cutters. Along the way, they will experience spiritual growth, cognitive development, reading and math readiness, and develop a love of learning.

FOURS/FIVES

On the *Voyage of Discovery* by My Father's World, children will gain academic readiness skills with the alphabet and numbers, enjoy read-aloud times, develop fine and large motor skills, and increase in cognitive skills. Most importantly, children learn God's truth and are encouraged to live it in their lives.

SPANISH

The Estrellita PreKindergarten Early Literacy Program teaches students the sounds of the letters by immersing them in a variety of phonemic awareness activities and to provide practice with basic blending in order to prepare them for reading in kindergarten.

Enrollment Information

- TUITION \$150 A WEEK
- YEARLY ONE-TIME
REGISTRATION FEE
\$50
